We are pleased about the acceptance of the judge Mrs. Doris Renz from Germany (Exotic and Fila Brasileiro) and the judge Mr. Joao Vasco Pocas from Portugal (Great Dane).

Special class for dogs without a pedigree or breed-eliminating faults such as kinky tails, one-hound, off-color, etc.

Junior handling of every age group.

There are sufficient parking spaces and walkies available on the site. Parking spaces for caravans/mobile homes and overnight accommodation can be requested from the special management.

The exhibition takes place in a heated hall. Catering will be provided and we would like to ask the exhibitors to make use of it.

Let's end the exhibition year together with our traditional Advent exhibition and spend a nice exhibition day together.

We would be very happy about numerous reports, and like every year you can look forward to great prizes again this year.
